

YouthWorks Alumni Staff Missions Fund

General Information

YouthWorks Alumni Staff Mission Fund (YWASMF) exists to support YouthWorks alumni summer staff in continuing their pursuit of mission experiences. YouthWorks alumni can receive \$100—\$250 for their next mission experience with a church, academic institution or nonprofit organization.

Guidelines

- Applications are accepted from alumni summer staff.
- A completed application is required to be considered, but does not guarantee financial support.
- A prayer and/or support letter should be included with the application if available, but is not required.
- Applications must be submitted prior to the mission experience.
- Mission experiences requiring funding less than \$1,000 are not eligible for a YWASMF grant.
- Checks will be made out to the mission organization or church the applicant is serving with, not the applicant.
- Alumni are eligible for only one YWASMF grant each calendar year, and can only reapply for a grant if they have served the summer preceding the request.
- There are limited funds available each quarter. When the funds have been depleted, applicants will be notified and encouraged to apply the following quarter.
